

IDEAS

PUPPETS - Print on card. Colour and cut out the characters. Then stick them to lolly sticks or clean boxes to make puppets. Use the puppets to act out the story or make up a new story!

COLLAGE - Make a collage of the woods full of litter. Colour and cut out the characters and add them to the scene.

TREASURE HUNT = Colour and cut out the characters. Hide them in exciting places (you might need some bluetack). Now a friend can try to find them. For more team work, give your friend instructions like 'Turn right' and '5 steps forward' .
